

# Product Data Sheet

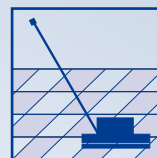

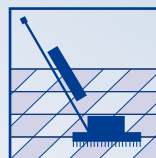

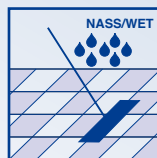

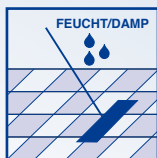

## Cebaclean

**Applications:** pH-neutral corrective cleaning concentrate with orange scent.

Cebaclean is a highly concentrated degreaser and corrective cleaner whose most important property is its neutral pH value. This product is a degreaser even for the toughest cases; whether in the kitchen, workshop, factory or office. Its pH-neutrality makes it possible to use Cebaclean on all water-resistant surfaces.

To use Cebaclean in a spray bottle simply fill 20 ml in a 1 litre bottle and fill up with water. For normal damp mopping dilute Cebaclean 1:200 (50 ml Cebaclean with 10 litres water) with water. For corrective cleaning dilute Cebaclean 1:5 with water and apply with the chosen method.

### Standard Specifications:

Structure at 25°C: liquid  
pH at 20°C: 6.5 - 7.5 as a concentrate  
Density: 0.945 - 0.965 g/cm<sup>3</sup>

**Shelf-Life:** 2 years after first opening.

**Storage:** Frost free. Closed properly. Dry.

**Contents (acc. to 648/2004/EG):** 5 – 15% nonionic surfactants, perfume.

**Other contents:** Solvents and water.

**Biological Degradability:** This product fulfills the criteria stated in the EU directive EC 648/2004 concerning detergents.

**Article No.** 811005

**Packaging:** Box of 4 x 5L.

Hazard Symbol(s):

Signal Word: Danger.

**Hazard Statements:**

|      |  |
|------|--|
| H302 | Harmful if swallowed.                            |
| H318 | Causes serious eye damage.                       |
| H317 | May cause an allergic skin reaction.             |
| H315 | Causes skin irritation.                          |
| H411 | Toxic to aquatic life with long lasting effects. |
